DESCRIPTION

Experience exceptional living in our distinctive villa project – an unparalleled collection of high-quality individual residences. Enjoy unobstructed views devoid of towering buildings or congested apartments, creating a tranquil environment complemented by a prestigious international neighborhood.

These villas present a secure, enduring family investment. The expansive and luminous 3-bedroom, 3 bathroom residence boasts a contemporary design infused with stone and wood elements. The open-plan layout and floor-to-ceiling windows on the ground floor ensure a sunlit ambiance throughout the day, creating an ideal space for work, entertainment, or relaxation.

The open kitchen is thoughtfully designed with modern furnishings and a functional layout, covering a ground floor area of 70.3 m², with nearly 36 m² dedicated to the living, dining, and kitchen spaces. The fusion of wood and natural stone imparts a simultaneous modern and rustic charm. Generous windows usher in a refreshing sea breeze, enhancing the vibrant atmosphere around the garden and pool.

Upstairs, the solarium offers 360° panoramic views of the sea and mountains, while an optional terrace on the first floor provides a customizable space. The modern kitchen features an open layout and a comprehensive set of high-quality appliances. The residence is equipped with electric blinds, and the bathrooms boast heated floors, contributing to the comfort of life at Salisol Hills.

The master bedroom on the ground floor features floor-to-ceiling windows, providing a panoramic view and direct access to the swimming pool. The accompanying walk-in closet and spacious bathroom add a touch of luxury. Meanwhile, two bedrooms on the first floor share spectacular sea and mountain views, completing the allure of this unique and joyful villa.
